Chiu M, Rahman F, Vigod S, et al. Mortality in single fathers compared with single mothers and partnered parents: a population-based cohort study. Lancet Public Health 2018; 3: e115–23
—In this Article, the y-axis labels for figures 1 and 3 should have been per 1000 people, not per 1000 person-years. This correction has been made to the online version as of March 5, 2018.
