

## Correction to *Lancet Public Health* 2019; 4: e12–13

Hyder AA. *Measurement is not enough for global road safety: implementation is key.* *Lancet Public Health* 2018; **4**: e12–13—The declaration of interest statement should have read “I was a member of the WHO advisory committee for this report on road safety. I declare no competing interests.” This has been corrected as of Dec 10, 2018.
