

Correction to *Lancet Public Health* 2020; 5: e107–13

Wildeman C, Andersen LH. Solitary confinement placement and post-release mortality risk among formerly incarcerated individuals: a population-based study. *Lancet Public Health* 2020; 5: e107–13—In the figure of this Article, the key has been corrected such that the red curve indicates “Solitary confinement” and the blue curve “No solitary confinement”. Table 1 in the Article has been corrected to include the number of participants in the column headers. These corrections were made as of June 2, 2020.
