A Trip with My Family

I have a happy memory from childhood. When I was small, my family took a trip to a lake. It in the summer. We went there early in the morning and stay all day. I remember playing games on the grass with my brothers and sisters. We had fun climbing trees, too. At noon, my father built a fire, and we made shish kebab. It was delicious. After that, I remember listening to my sister tell stories. I did not want leave when it was time to go home. I had a lots of fun that day, so I like to remember our trip to the lake.
